JOURNAL OF SMET EDUCATION:

Innovations and Research

SCIENCE • MATH • ENGINEERING • TECHNOLOGY

Values

- Disseminate case studies and research articles in SMET education
- Develop thinking abilities of students
- Meet expectations from educational leaders and industry participants to improve SMET education
- Provide ability for companies to showcase their educational products to academic instructors

Mission Statement:

“Meet the need for high-quality case studies and papers that integrate real world issues with theories in engineering, business, mathematics, and science subjects.”
