

Suggested Reviewers:

Zakiya Wilson-Kennedy

- PhD Assistant Dean for Diversity & Inclusion, Louisiana State University
- zwilson@lsu.edu
- Dr. Wilson-Kennedy has founded multiple programs supporting students in STEM at undergraduate and graduate levels. As the now assistant dean for diversity and inclusion at LSU she is also extremely knowledgeable about existing programs aimed at increasing retention and diversity in STEM pathways and the research behind them.

Angela Byars-Winston, PhD

- Professor, University of Wisconsin Madison School of Medicine and Public Health
- ambyars@wisc.edu
- Dr. Byars-Winston's research examines cultural influences on career development, especially for racial and ethnic minorities and women in STEM.

David Yeager

- Assistant professor, University of Texas at Austin
- dyeager@utexas.edu
- Dr. Yeager is at the forefront of mindset interventions and their impacts on retention of underrepresented populations in STEM fields.
