To our reviewers,

Thank you!

We would like to express our sincerest gratitude for the following reviewers who contributed to the 2023 review process of the Journal of STEM Education: Innovations & Research. We truly could not publish our journal without the help of highly qualified, considerate, and thorough reviewers.

Carol Babyak, *Appalachian State University*

Wendy Carter-Veal, *University of Maryland, Baltimore County*

Beatrice Dias, *University of Pittsburgh*

Samia R Dogar, *Northeastern University*

Kim Dooley, *Texas A&M University*
